HELLO...

Lewisham Homes is a not-for-profit housing provider established by the London Borough of Lewisham. We manage 19,000 homes on behalf of the council, operate our own maintenance company, and invest in the local community. We are also a key delivery partner in the Mayor of Lewisham's new homes programme which aims to deliver 1,000 new social homes by 2022.

In an inner London borough, where diversity is a defining characteristic and a key strength, we are committed to being an inclusive organisation, engaging with and empowering our staff, residents and other stakeholders. We recognise the impact that a secure, quality home has on life chances and we work in partnership with Lewisham Council and other partners to build and invest in safe, attractive and sustainable neighbourhoods.

As a major local employer with over 500 staff, we are proud to hold the Investors in People Gold Standard. We're passionate and proud of developing our staff, delivering excellent customer experiences and growing our business to shape a great future. To do this, we need innovative thinkers, who lead each project with energy and excitement. If you share our ambition, we hope you'll consider joining us.

A MESSAGE FROM THE CEO

Thank you for expressing an interest in joining the team at Lewisham Homes.

It's an exciting time to be joining us. We work in a vibrant and thriving borough, with a rapidly expanding population, but we face an acute shortage of housing, and high levels of inequality. We are committed to working with Lewisham Council to increase the supply of much needed new social homes. With a new Director of Development in place, we are looking to expand the Development team to facilitate this and as such, we need people who share our passion to tackle the housing crisis and our ambition to build 'thriving communities and places people are proud to call home'.

If you have a demonstrable track record of delivering new homes, and you can bring energy and fresh

thinking in order to drive forward an ambitious building programme we want to hear from you. You will have a collaborative approach that creates a positive can-do culture. This is an exciting opportunity to play a key role in our new build programme that will help shape the future of our borough.
